Founder Profile

Mr. Shakeel I. Khan has been a key growth partner to many reputed real estate companies, helping them expand and establish a strong market presence. With vast industry knowledge and legal expertise, he now brings his innovative vision through FREE HOME – where buyers can own their dream property without the financial burden, using our Affiliated Marketing Program to generate income that covers their EMIs.

The company now offers four property categories with financial support, allowing buyers to own properties cost-free in approximately 36 months through an affiliate marketing program.

Mission

To revolutionize property ownership by providing a unique platform where every individual can achieve their dream home through innovative earning opportunities, transparent processes, and committed support.

At FREE HOME, our mission is to revolutionize the real estate industry by making homeownership accessible to all.

We empower individuals with financial support and income opportunities through our affiliate marketing program.

Our commitment is to deliver quality homes and build lasting relationships with our clients.

Vision

To become India's most trusted and accessible real estate brand, enabling thousands to own properties without traditional financial stress, and to redefine the real estate landscape with innovation and integrity.

To expand our reach, providing affordable and sustainable property options globally.

To be a leader in innovative real estate solutions, transforming the way people achieve homeownership.

To foster a community where financial freedom and homeownership go hand in hand.
